Message from the Detachment Commander

I am pleased to present the Middlesex Detachment – 2024 OPP Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data. It also highlights initiatives and successes from the past year. 2024 represents the midway point of the Middlesex Detachment 2023-2025 Action Plan and this report provides updates on our progress in meeting our commitments therein.

We continue to prioritize the reduction of crime and victimization, specifically property crime, illicit drugs and cybercrime, through education and enforcement. This includes the ongoing engagement of our Community Services Officer, frontline uniform members and our auxiliary officer cadre to provide educational opportunities to our community, particularly for our most vulnerable citizens.

Middlesex Detachment will continue to leverage the strong collaborations we enjoy with our community partners to find solutions to mental health and addiction related challenges. Together with our partners at Strathroy Caradoc Police Service and the Canadian Mental Health Association, we remain committed to supporting our Mental Health Crisis Team (MCRT). Additionally, we continue to work with London Health Sciences Centre and Strathroy Middlesex General Hospital. I am very pleased to announce that Police/Hospital Patient Transition Protocols are now in place. These agreements are designed to facilitate a smooth and timely transfer of persons suffering a mental health crisis into the care of the appropriate health care facility. These agreements generate operational efficiencies for both police and our partners within the medical community.

The Middlesex Detachment continues to prioritize traffic safety. With a focus on education and enforcement, our intention is to change those high-risk driving behaviours that are known to be the leading causes of injuries and deaths on our roadways, waterways and trails. These behaviours include aggressive driving, impaired driving, distracted driving and a lack of seatbelt use. Additionally, Middlesex Detachment is continuously monitoring the specifics of motor vehicle collisions. This allows us to immediately identify and address any environmental or engineering related circumstances that may contribute to these incidents. Appropriate community partners are then engaged to assist with the implementation of meaningful solutions. As with all our efforts, the objective is always community safety!

Throughout 2025, we will be working with the Middlesex OPP Detachment Board to form the 2026-2029 Middlesex Detachment Action Plan. This work will include engaging with community members to ensure the needs of the communities we serve will be reflected in the commitments we make. Development of the 2026-2029 Middlesex Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan to ensure organizational alignment and support.

The Middlesex Detachment – 2024 OPP Detachment Board Annual Report begins to bridge the gap between *Police Services Act* (PSA) and *Community Safety and Policing Act* (CSPA) reporting requirements. In collaboration with relevant OPP program areas, working groups and the Middlesex OPP Board, this report will continue to develop in the years to come to include content from the OPP Detachment Board Chair(s) and additional data and updates from the OPP.

From our administrative staff to frontline uniform members, to specialty units and our leadership team, our members continue to serve with pride, professionalism and honour. As we anticipate future challenges and opportunities for policing and community safety, we remain dedicated to our mission of serving our communities by protecting citizens, upholding the law and preserving public safety.

Inspector Ross A. Stuart
Detachment Commander
Middlesex OPP Detachment

Summary of Commitments

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
<p>To address and prevent property crime in our communities through police and public partnerships.</p> <p>To proactively engage in enforcement actions to address the distribution of illicit drugs throughout the community. The Middlesex OPP remains committed to working alongside our community partners and assist those with drug addictions in receiving proper treatment.</p> <p>To prevent and investigate cyber related crimes through proactive messaging and through technically based investigations.</p> <p>To address and prevent violent crime within our communities.</p>	<p>To sustain a continuous and year-round focus upon the causal factors of motorized vehicle collisions. This includes a rigorous enforcement program and ongoing education.</p>	<p>To identify joint response solutions for non-police related demands for service that impact police resources.</p> <p>To develop transfer of care protocols with relevant healthcare facilities in conjunction with our local policing partners.</p>

2024 Crime Progress Updates

Commitment	Progress Update
<p>To address and prevent property crime in our communities through police and public partnerships.</p>	<p>Middlesex OPP uniform and Community Street Crime Unit members will continue their efforts to address property crime. Analytical reports will continue to be utilized to identify crime trends and to focus enforcement and patrol strategies around this information. Proactive programming such as Safe Guard Ontario and Lock It or Lose It campaigns will be utilized in conjunction with ongoing media awareness efforts and public information sessions to ensure preventive measures are being maximized.</p>
<p>To proactively engage in enforcement actions to address the distribution of illicit drugs throughout the community. The Middlesex OPP remains committed to working alongside our community partners and assist those with drug addictions in receiving proper treatment.</p>	<p>Middlesex OPP will continue to address concerns regarding illicit drug use, production and distribution through enforcement and education. Throughout 2024 our members have worked closely with our Indigenous policing partners to address specific concerns within those communities. Their efforts have resulted in multiple seizures of illicit drugs, weapons and other offence related property.</p> <p>Beyond enforcement, we recognize the social impact these problems have upon our communities and its residents. Members of the Middlesex OPP will continue to be engaged in ensuring at risk community members are linked with services that will provide them with the meaningful help they require. In turn, this can help minimize future contact with the police and the judicial system. As a support to this commitment, Middlesex OPP will continue to utilize the Mobile Crisis Response Team (MCRT) on an ongoing basis, as a means of putting people in contact with community resources. The timely engagement of MCRT remains a key strategy to ensuring that meaningful help is provided quickly to those who need it the most, while reducing the potential stigma associated to involvement with the police.</p> <p>The Middlesex Community Street Crime Unit will continue to actively investigate offences under various provincial and federal statutes. This includes property and drug related incidents.</p> <p>A continued commitment to education of the public is a key component to reducing illicit drug concerns within our communities. The role of the Community Services Officer is critical in educating members of the public of all ages. The use of OPP social media accounts also plays an important role in delivering messaging about the use of illegal drugs and the resources available to assist those in need.</p>

<p>To prevent and investigate cyber related crimes through proactive messaging and through technically based investigations.</p>	<p>Middlesex OPP will continue to utilize our Community Service Officer to conduct sector specific presentations for vulnerable persons within our community, by educating them on the types of cyber crimes and about the perils of misusing social media platforms.</p> <p>Additionally, we will continue to utilize specialized resources internal to the OPP as a means of providing investigative support to complex investigations. In turn, these resources will ensure investigative excellence.</p> <p>We will ensure that members of Middlesex OPP remain current on their training through the review of internal Cyber Crime Bulletins. These are important tools that provide investigators with information concerning the collection of evidence and the services available to assist with cyber crime investigations.</p>
<p>To address and prevent violent crime within our communities.</p>	<p>The OPP Offender Management Apprehension Program (OMAP) and the Bail Compliance Program will continue to be utilized as a means of ensuring a high level of accountability for those on judicial release for violent crime.</p> <p>Continued training of members of the Major Crime Unit as a means of building capacity to respond to instances of violent crime, while ensuring investigative excellence.</p> <p>Continued sharing of intelligence information with a variety of policing partners.</p> <p>Ensuring a victim-centric approach when interacting with victims of violent crime. Doing so will provide an approach that focuses upon empathy, respect and dignity.</p> <p>Maximizing the use of Victim Services and MCRT as a means of supporting victims of crime and tragic circumstance. By providing these individuals with focused resources, we will assist in their management and recovery from those incidents.</p>

2024 Roadways, Waterways and Trails Progress Updates

Commitment	Progress Update
<p>To sustain a continuous and year-round focus upon the causal factors of motorized vehicle collisions. This includes a rigorous enforcement program and ongoing education.</p>	<p>Assign members of the Community Oriented Response and Enforcement Unit (CORE) to perform proactive traffic enforcement in areas of concern identified by our communities.</p> <p>Utilize analytics to identify accident-related locations and establish enforcement initiatives for those areas. These tools will also assist with determining strategic locations for RIDE spot checks to ensure we have the largest impact in reducing impaired driving.</p> <p>Utilize the Middlesex OPP Media Relations Officer to engage the media and social media accounts with timely information related to traffic incidents.</p> <p>Middlesex OPP will continue to actively participate in Regional, Provincial and National Traffic Initiatives. This will be highlighted by enforcement and education of the 'Big 4' factors leading to traffic related injuries and death.</p> <p>Middlesex OPP will continue to partner with members of the OPP's Highway Safety Division and the enforcement branch of the Ministry of Transportation in a collaborative manner to make area roadways safer.</p> <p>Middlesex OPP will continue to address community concerns through Focused Patrols, enforcement and education. Communication of these efforts and results will remain a critical component of maintaining public trust.</p>

2024 Community Well-Being Progress Updates

Commitment	Progress Update
<p>To identify joint response solutions for non-police related demands for service that impact police resources.</p>	<p>Middlesex OPP and the Canadian Mental Health Association have a Memorandum of Understanding with respect to the Mobile Crisis Response Team (MCRT). The MCRT consists of a uniform police officer and Mental Health Clinician who respond to calls for service where an individual is in crisis.</p> <p>The MCRT will continue to be responsible for conducting follow up visits with community members who have been in a state of crisis and have had previous involvement with the police. The benefit to these follow-up visits includes providing an opportunity for a wellness check, provide social service supports and assess their effectiveness while building a bond of trust. Each of these can increase health and minimize the need for further police involvement.</p>
<p>To develop transfer of care protocols with relevant healthcare facilities in conjunction with our local policing partners.</p>	<p>Transfer of Care protocols with local hospitals and policing partners are now in place. These agreements are designed to facilitate a smooth and timely transfer of persons suffering a mental health crisis into the care of the appropriate health care facility. Additionally, these agreements generate operational efficiencies for both police and our partners within the medical community.</p> <p>We will continue to monitor the progress of the transfer protocols and make necessary adjustments to ensure the care of the patient is always prioritized.</p>

Other Community Updates

Community Engagement

In response to identified crime trends and requests from the community, Middlesex Detachment led crime prevention initiatives focused on fraud prevention, property crime and combating auto theft. We worked alongside a variety of community partners and our municipalities to increase awareness and education through fraud prevention seminars. Additionally, the Middlesex OPP Auxiliary Unit was utilized to conduct door-to-door canvassing in areas identified as being at high risk for property related crime (theft from vehicles etc). Through the promotion of the Safe Guard and Lock It or Lose It programs, our members were able to connect at the grassroots level with community members, answer questions and provide advice for ensuring a safer community.

Throughout 2024, Middlesex Detachment continued to engage with a variety of groups and organizations, with a focus upon building relationships, while promoting equity and inclusion. Our members celebrated Pride Month with local community groups and supported the events that they were hosting. Additionally, our officers attended the Imagine Build initiative on Onieda of The Thames First Nation to support the development of affordable housing within the community. Our members then participated in a National Day for Truth and Reconciliation Ceremony. In December, Middlesex OPP hosted a food drive in Komoka as a means of supporting those in our community with a need over the holiday season. These are important opportunities that we will seek to build upon in the coming years.

Traffic Safety Summary

Middlesex Detachment issued 5,984 offence notices in 2022, 9,122 offence notices in 2023 (52.4% increase), and 11,326 offence notices in 2024 (24.2% increase).

Middlesex Detachment issued 922 traffic Summons in 2022, 1,438 traffic Summons in 2023 (56% increase), and 1,444 traffic Summons in 2024 (0.4% increase).

Stemming from community concerns regarding school bus safety, Middlesex OPP conducted ongoing focused patrols to address this problem. Ongoing public education messaging supported our enforcement efforts. These focused patrols continue in 2025 as one of our primary traffic safety priorities.

Between April – December 2024, several construction projects commenced along Highway 401 within Middlesex OPP jurisdiction. Shortly after construction began, an influx of motor vehicle collisions was noted, primarily between the Putnam Road and Dorchester Road exits. A review of these collisions resulted in the implementation of a focused patrol to address the problem. Additionally, consistent strategic planning meetings with the MTO and all involved construction companies resulted in a collaborative approach to problem solving. As a result, the total number of collisions reported on Highway 401 declined each month thereafter.

Warrant Reduction Strategy

During 2024, Middlesex Detachment implemented a Warrant Reduction Strategy that focused upon the apprehension of those with outstanding warrants for their arrest. The result was a 54% decrease in the number of outstanding warrants locally. The OPP Offender Management Apprehension Program (OMAP) and the Bail Compliance Program will continue to be utilized as a means of ensuring a high level of accountability for those on judicial release.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the Community Safety and Policing Act (CSPA)

To implement the SDM, the OPP has submitted a seven-year staffing strategy to address required increases in detachment personnel. This model supports the OPP's ability to:

- Respond rapidly to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Address municipal concerns about reduced police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (figure 1). These targets reflect how time should ideally be distributed by the end of the seven-year strategy.

The targets are based on a provincial average and variations are expected between detachments due to differences in geography, operational structure, recruitment and other absences.

In the short term, detachments may face challenges in achieving these targets. Continued improvements in scheduling tools, data integrity, and strategic deployment will support progress toward these goals.

CONTACT THE OPP

REACH THE OPP BY PHONE

- Know your location: Be ready to describe your surroundings. Look for addresses, landmarks and buildings that may help identify your location.
- Call 9-1-1 if there is immediate risk to someone's life or property.
- Don't hang up, stay on the line
- Call 1-888-310-1122 for non-life-threatening incidents that require police attention
- TTY 1-888-310-1133, or Agent 511 for registered subscribers (for the Deaf, Hard of Hearing and Speech Impaired)

PROVIDE AN ANONYMOUS TIP

- Call Crime Stoppers at 1-800-222-8477 (TIPS)
- Visit www.crimestoppers.ca

SPEAK WITH AN OFFICER FOR ALL OTHER MATTERS

To arrange to meet an officer at a detachment, go to www.opp.ca to use the Local Detachment Finder and follow the prompts.

REPORT AN INCIDENT ONLINE

You have the option to report select occurrences to police from the convenience of a computer.

Visit www.opp.ca/reporting to use the Citizen Self Reporting system. Specific incidents can be reported online without attending a detachment or waiting for an officer.

You can use this system to report:

- Theft Under \$5,000
- Mischief / Damage to Property Under \$5,000
- Mischief / Damage to Vehicle Under \$5,000
- Theft from Vehicle Under \$5,000
- Lost / Missing Property Under \$5,000 including a licence plate(s) or validation sticker(s)
- Theft of any type of gasoline from a gas station
- Driving Complaints
- Theft from Vehicle Under \$5,000
- Lost / Missing Property Under \$5,000 including a licence plate(s) or validation sticker(s)
- Theft of any type of gasoline from a gas station
- Driving Complaints

Do not use this system if this is an emergency! If it is, call 9-1-1.

9-1-1 is for police, fire or medical emergencies only.

Accidental, hang-up or abuse of 9-1-1 calls tie up emergency lines, communicators and officers which could result in the slower response to a real emergency, risking the safety of people who need urgent help.

#KnowWhenToCall

If you've dialed 9-1-1 in error, stay on the line. Your call will be connected to police. Answer all questions asked by the communicator. This eliminates a lengthy follow up process that may lead to officers attending your location to ensure your safety.
